Spring Term 2023

Monday 6 February 2023

## Message from Ms Colburn

What a great half term we have all had and I really hope you have seen continued progress from your child. At the start of January, pupils took part in a reading age assessment and across the Primary there has been a 12% increase since the start of September which is excellent. Please be

reminded to read with your child daily –they should read to you as much as possible. This week marks the start of Children's mental health week and pupils will be taking part in Place2be workshops throughout the week as well as in class. We hope you all have a great week!

## Ms Borg

Please be aware that unfortunately Ms Borg—who started with us in September – has made the decision to leave Globe at the end of this week. She has worked incredibly hard and we thank her for her commitment to the school and wish her well with her new endeavours. A new teacher has been recruited for Thales class and I will introduce her to you all in the next bulletin. Thank you.

*Good luck!*

## Mathletic Masters!

Please do encourage your child to go onto Mathletics on a daily basis—we came **second in the network** last week which is a great achievement—let's try and get to first place this week! All pupils have a login—any issues please let us know and we can re-send it home! Thank you!

## Primary attendance

Thank you for your continuing support with ensuring your child attends every day and are on time—we are starting to see real improvements which means pupils will learn more! Shout out to **Year 4** for the highest attendance so far of the year.

### National Children's Mental Health Week

This week is National Children's mental health week which was set up in 2015 by Place2Be to shine a spotlight on the importance of children's mental health. Our pupils this week will take part in a series of workshops which will be run by our Place2Be manager. The theme for this week is 'Let's Connect' and is about making meaningful connections—friends, family and others which is vital for our well-being. Please do discuss the workshops with the children—it is so important for us to listen to their worries or concerns so that they feel valued and connected. If you need any support please do contact us. Resources are

available at <https://www.place2be.org.uk/about-us/children-s-mental-health-week/>
