Message from Ms Colburn

I hope you all had a lovely weekend! This week sees the start of science week for all of our pupils which will culminate in a wonderful Science Fair for parents on Friday and we hope to see you there. You will be able to see the work that our pupils have been putting together as well as enjoy a

cake or two as part of the Red Nose Day bake sale. Pupils can dress up as scientists if they wish—a letter was emailed last Friday about it. Have a great week!

Maths Day 2023

Last Wednesday, pupils in Globe Primary celebrated World Maths in style and had a great day learning all about money, maths in technology as well as taking part in Mathletics Live! We also had three brand new BMW cars on site which pupils in Year 1 and Year 2 were lucky enough to sit in and look at. Thank you so much to all of our external visitors who came in last week—we loved having you on here! Take a look at the great photos below. Thank you to Mr Hetherington for organising a great day!

NEU Teacher Strike Action

Please be reminded that the school will be closed on **both Wednesday 15 and Thursday 16 March 2023** to all pupils except Year 1 and Year 6 and pupils of critical workers. Letters will be sent on email so please do look out for them—alternatively please do speak to Ms Colburn for further information.

Primary attendance

Our pupil attendance percentages are finally increasing and we are now seeing many more pupils attend daily. We have a rigorous process which is followed for all families. Please be aware that you **may be fined** if you take your child out of school for any reason other than evidenced illness.
