

# Science Curriculum Overview 2019-20

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
<b>Key Stage 1</b>						
<b>Year 1</b>	My Body	Common Animals	Seasonal changes: Autumn and Winter	Seasonal changes: Spring and Summer	Everyday Materials	Common and wild plants
<b>Year 2</b>	Growth & Survival (Animals, including humans)	Uses of everyday materials	Everyday materials: Shaping up	Living things & their habitats	Living things & their habitats	Plants: Bulbs and growth
<b>Key Stage 2</b>						
<b>Year 3</b>	Rocks	Forces & Magnets	Light	Light	Plants: basic need for life	Skeletons and Muscles
<b>Year 4</b>	Electricity	Electricity	States of matter	Sound	Habitats (Classification)	The Digestive System & Teeth  Food chains
<b>Year 5</b>	Earth & Space	Forces in action	Properties and changes of materials	Life cycles	Life cycles	Changes & reproduction
<b>Year 6</b>	Light	The Circulatory system & healthy lifestyles	Classification of organisms	Evolution & inheritance	Electricity: Circuits and components	Electricity: Circuits and components

Biology
Chemistry
Physics
