## Message from Ms Colburn

Welcome to the second edition of the bulletin for this academic year. The day to day workings of our school are very much back to near normal since COVID all started which we are all very happy about. In particular, our lovely Year 4 pupils were able to start their swimming lessons once again and really enjoyed their first lesson last week. Please be reminded that this week, we are hosting our Meet the

Teacher sessions from **3:45–4:15pm**—tonight are the meetings for Nursery and Reception pupils. Children are very welcome so they can hear about the things they will be doing. We hope that lots of you will be able to attend these sessions. After school clubs and parental workshops are also in the process of being set up—more information is to come! Have a great week everyone!

## Year 4, 5 and 6 Boys—Ties

Please be reminded that all boys should be wearing a shirt and tie as part of our uniform. There have been a few occasions last week when pupils have not done so. If your child does not know how to tie them, please do help them so they do not get sanctioned for not wearing them. Many thanks.

## Year 3 Chrome Books

You may all be aware that last year pupils in Year 3, 4, 5 and 6 were given a school Chromebook if they did not have sole access to a laptop at home. This is to access homework from Seesaw as well as additional learning to support the work in school.

In the next few days, Year 3 parents will be receiving a letter to invite them into collect their child's laptop. The expectation is that all pupils in Year 3 should have a school device unless they have their own at home.

## Year 4, 5 and 6 Chrome Books

We are aware that a number of new pupils have started with us in Year 4, 5 and 6. Your child is entitled to a Chromebook (if they do not have a digital device for themselves at home) and over the next few weeks, we will be issuing your child with a chrome book. Please do look out for a letter so that you can come and collect it from Globe.

### Assembly—Globe Growth Awards

The whole school assembly today was about one of our Globe Culture Pyramid aspects of Growth Mindset.

Growth Mindset is the belief that intelligence improves through study and practice and our pupils are now very much aware of how to improve their own. Every half term, we also measure our pupils mindset as we know it can be linked to academic outcomes. Pupils are given a score in attendance and punctuality, professionalism and completion of home learning and daily reading and we welcome your support in helping pupils achieve their outstanding Globe Growth badges!

### Home Learning—Seesaw

All pupils should by now have received their logins for Seesaw—any issues, please do let us know. The majority of pupils in Year 4, 5 and 6 should be able to access their home learning on their own digital device or school Chrome book. Please ensure that you, as parents, sign up to the Seesaw App so that you can check what your child's home learning is for the week and check what to do. Homework is always uploaded to Seesaw on a Tuesday and home learning should be completed by each Friday.

### PE Days

Please be aware of the days when pupils should wear their PE kits to school:
