Dear Parents and Carers,

**Re: Covid-19 update, January 2021**

I just wanted to take this opportunity to remind you all that schools will not be reopening on Monday 18 January as was initially hoped. As it stands we will remain closed until at least 22 February 2021, subject to another government review of the virus infection rates.

Again, I thank you all for your patience and support at this time.

Yours faithfully,

Mr Matt Jones
