

Ark Globe Academy Primary

PE and Sports Grant Funding

2019 - 2020

At Ark Globe Academy Primary, we recognise the contribution of PE to the health and well-being of the children. We believe that an innovative, varied PE curriculum and extra-curricular opportunities have a positive influence on the concentration, attitude and academic achievement of all our children.

Our Primary School Sport's Funding will enable us to continue and extend our provision through employing an additional sports professional, entering into more competitive sports competitions and training our staff to deliver in-house quality PE sessions.

Primary School's Sports Funding

Please follow this link to find out more about the PE and Sport Grant:

<https://www.gov.uk/guidance/pe-and-sport-premium-for-primary-schools#funding-for-2017-to-2018>

What is the Sports Premium?

The government provided funding of £150 million per annum for the academic years 2013 to 2020 to provide new and substantial primary school sport funding. The funding was jointly provided by the Departments for Education, Health and Culture, Media and Sport, and saw money going directly to Primary School Headteachers to spend on improving the quality of sport and PE for all their children.

In 2019 - 2020, each school will receive £16,000 plus an extra £10 per pupil in years 1 – 6 and here at Ark Globe Academy Primary that will mean around £19,430 for the year. The money can only be spent on sport and PE provision in schools.

Purpose of the funding

Schools will have to spend the sport funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this.

Possible uses of the funding include:

- Hiring specialist PE teachers or qualified sports coaches to work alongside primary teachers when teaching PE
- Paying for professional development opportunities in PE/sport
- Providing cover to release primary teachers for professional development in PE/sport
- Running sport competitions, or increasing participation in the school games
- Buying quality assured professional development modules or material for PE/sport
- Providing places for pupils on after school sport clubs and residential visits

The money must be used so that:

- all children benefit regardless of sporting ability
- that the most-able children are given the opportunity to compete in advanced tournaments
- that staff have access to training opportunities and continued professional development

The Sports funding will be used at Ark Globe Academy Primary to:

- support and engage the least active children through new or additional sports clubs during the school day
- increase the amount of competitive sport in which our children participate
- purchase equipment to offer access to new sports and physical activities as relevant
- provide additional after-school clubs

Impact:

- We will evaluate the impact of the Sports Premium funding as part of our normal self-evaluation
- We will look at how well we use our Sport Premium to improve the quality and breadth of PE and sporting provision, including increasing participation in PE and sport so that all pupils develop healthy lifestyles and reach the performance levels they are capable of.
- Measuring the impact of the activities provided with sports premium funding can be achieved in different ways. We will look at progress in PE as well as other areas of development such as self-esteem, confidence and the numbers of pupils involved in sporting activities in and out of school.

What we will do	Cost	Impact
Additional capacity of a Sports Coach for PE lessons	£5592.60	<ul style="list-style-type: none"> • Pupils were taught by a qualified Sports Coach every week which increased level of skill and fitness • Pupils physical well-being increased • Impact on the children's mental-health and well-being increased and pupils far more aware of how to look after themselves.
Additional funding for school residential for Year 6 pupils	£3000	<ul style="list-style-type: none"> • Due to COVID-19, the Year 6 residential was cancelled and schools were shut. Money carried forward.
Arrange for x3 extra-curricular clubs taught by a Sports Coach weekly	£4680	<ul style="list-style-type: none"> • Pupils level of enjoyment increased and pupils accessed highly enjoyable after-school clubs. These were very popular and encouraged pupils to participate in clubs after school. • The range of extra-curricular opportunities increased and more variety was offered. An increase in the number of pupils accessing extra-curricular activities increased (Teach Sport – fitness fun, multi skills, football)
Replace and increase playground equipment in KS1 and 2 playgrounds	£2000	<ul style="list-style-type: none"> • Pupils' activity and behaviour improved, social skills were taught effectively and pupils learnt how to be independent and also played more cooperatively. • Fitness levels increased • A wider range of physical playground games were known by children and were used independently and frequently over a sustained time-period. • Increased participation rates from targeted groups (boys) • Pupils recognised the fun in being active and that it is valued by school <p>(additional table tennis table for younger pupils, basketball nets etc)</p>
Purchase and resources a new PE scheme to be taught across the school – Rising Stars PE	£2500	<ul style="list-style-type: none"> • Pupil level of engagement during PE lessons increased • Teacher knowledge of how to teach fun, engaging lessons was developed • Use of the scheme ensured that the children's physical ability, fitness and attitude to health will increase

		<ul style="list-style-type: none"> Champions' scheme of work will encourage children to take ownership over their own health and fitness and gives them the tools to support this.
Additional PE equipment to enhance lessons	£2000	<ul style="list-style-type: none"> Pupils' PE lessons were enhanced by additional PE equipment which motivated and enhanced the experiences in the physical abilities Team and leadership skills were well developed Ensured pupils were able to use the equipment safely and appropriately
Total	£19,772.60	

** COVID-19 had a significant impact on the pupils accessing the details described above**

Meeting national curriculum requirements for swimming and water safety**	
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?	%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	No
