Dear Parents and Carers,

Re: Changes to Relationship and Health Education (Primary) & Sex and Relationship Education (Secondary)

I hope this letter finds you and your family well.

It has been wonderful to see our young people able to engage with each other without the restrictions of year-group zones and to benefit from a return to visits outside of school and visitors inside the school. Enabling our young people to thrive is fundamental to what we do. As we prepare students for university and to be leaders in their community, we work to promote personal wellbeing and development through a comprehensive PSHE [Personal, Social & Health Education] curriculum. This gives young people the knowledge, understanding, attitudes and practical skills to live safe, healthy and productive lives where they can make informed decisions.

The Department for Education has announced changes to Relationship and Health Education (RHE) and Sex and Relationship Education (SRE), which is part of our PSHE program of study. These changes come into effect this year. Relationship and Health Education (RHE) will be incorporated into the Primary PSHE curriculum and Sex and Relationship Education (SRE) will be incorporated into the Secondary PSHE curriculum.

At Ark Globe Academy, we have always delivered PSHE. Relationship and Health Education (RHE) and Sex and Relationship Education (SRE) are now statutory. All teaching takes place in a safe learning environment and is underpinned by our school ethos and values. Through working together, we can ensure that the curriculum best meets the needs of our young people. We would like to invite you to review our draft policy and curriculum map and complete the survey if you have any comments:

The consultation period will last from **4 October until 31 October**. As an alternative to completing the survey, please feel free to contact me or Sam Colburn, Primary Principal directly via email on u.sookun@arkglobe.org or s.colburn@arkglobe.org. In addition to this, please visit the school website for additional information around Relationship and Health Education & Sex and Relationship Education.

Your sincerely,
