

Ark Globe Academy

Thursday 3 September 2020

Dear parents and carers,

RE: Use of Face Coverings

I hope you and your family are well and looking forward to returning to our Academy next week. In light of our return, I am writing to update you on the use of face coverings at Ark Globe Academy.

As many of you will know, the Government issued new guidance for schools on the use of face coverings in educational settings. At Ark Globe the wearing of face coverings is 'optional' in indoor communal areas (with the exception of classrooms, teaching and dining spaces) and during student transition under the following conditions:

- The face covering is the standard plain black covering provided by Ark Globe Academy
- The face covering is different to the one used by your child on their journey into school
- Your child has an appropriate small plastic bag, provided by Ark Globe Academy, in which they store the face covering during the day
- The face covering is not to be worn in classrooms or teaching spaces
- Face coverings are not to be worn outdoors on the Ark Globe Academy site

If you want your child to wear a face covering, please email info@arkglobe.org with their full name, year group and small school.

In addition, if you have any questions please feel free to contact the school on 020 7407 6877 or info@arkglobe.org.

Yours sincerely,

Mr Matt Jones
Executive Principal

Principal: Mr Matt Jones
