Message from Ms Colburn

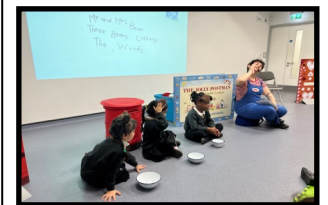

What another great week the children have had! The positivity continues and all the staff have been so impressed by how the children have returned. Thank you to you as parents for ensuring pupils attendance continues to increase. Our teachers have called a large number of

parents this week who have been supportive in ensuring pupils attend daily. Have another great week everyone!

Reception Trip

Our lovely Reception pupils had a fantastic trip last week to the Postal Museum in North London. The children attended a workshop called The Jolly Postman and learnt about how letters were sent in the 80s and went on a train carriage ride. The children also wrote their own letters. The workshop was about traditional tale stories and how we send letters in post boxes these days. The children all had a wonderful day—thank you to our parents who came along too!

Extra-Curricular Clubs

By now, you should have all received letters confirming your child's place at the extra-curricular clubs **starting this week from 3:30—4:30pm**. Pupils will not need any snacks as there is little time for this in the sessions. If you have any questions, please do ask. Thank you.

Primary attendance

As you know, we are having a real drive on improving our attendance of pupils as too many are missing school on a regular basis. Attendance is beginning to increase but we still have a long way to go. If you need support with your child attending daily, please let Ms Colburn know.

Primary	92.7%
