Well done everyone, keep working hard!

Spring Term 2022

Monday 24 January 2022

Message from Ms Colburn

I hope you all had a wonderful weekend despite the cold weather. The children continue to work extremely hard and demonstrate such a great growth mindset on a daily basis.

Over 80 Autumn Globe Growth badges will also be given out in assembly this week—this means that these pupils demonstrated outstanding growth in the areas of attendance, punctuality, daily reading, completion of home learning and overall

levels of professionalism. Ms McAuliffe and I also spoke with a group of pupils last Friday about their science work and I could not be more prouder of how they spoke of their love for the subject and how it prepares them for the future! Keep up the great work everyone!

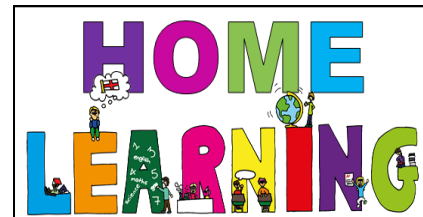

Academic Review Meetings

We have finally been able to confirm our mid-year academic review meetings on **Thursday 10 February 2022**. At the time of writing, meetings will be on site although subject to change due to COVID. The purpose is to discuss how your child is getting on in school and areas to improve. Letters will be sent out this week so please do look out for them. Appointments will be between 1pm and 6pm. **School will shut at 12:45pm** for all pupils. Any questions, please ask.

Home Learning

Please be aware that home learning is now tracked by class teachers every week as we were noticing that some pupils were not completing it. Well done to **Year 5 Tobias** class for an 86% completion on Seesaw. Other results are:

Year	Class	Completion %
Year 5	Tobias	87%
Year 5	Banneker	86%
Year 3	Gauss	86%
Year 6	Bhaskara	83%
Year 4	Lee Brown	83%
Year 3	Euclid	73%
Year 4	Blackwell	54%
Year 6	Fibonacci	33%

We aim for 100% of pupils to complete and upload to Seesaw / or in their homework book every week. If your child is in one of the lowest % classes, please ensure they do complete it weekly as it is an important part of learning. Parents will be contacted after 2 weeks if pupils are repeatedly not completing it.

Pupils should practise daily their spellings and multiplication tables as well as read to an adult and a comment and/or a signature added to their reading records. If there is anything your child does not understand, please let us know straight away.

Parent Workshop

Please be reminded that there is a Multiplication Check workshop for parents in Year 3 and 4 on **Monday 31st January at 8:45am–9:30am**. You will find out how your child can be supported well at home in learning them ahead of the government assessment test for Year 4 pupils in June 2022 and then in June 2023.

Extra-Curricular Clubs—Spring 2022

We now have our club list for the Spring term and I am delighted with how many are now on offer. Clubs will run from 3:30–4:30pm and pupils will be able to be collected from the front playground at **4:30pm**.

If you have any questions about the clubs, please speak to Mrs Ratnatunga.
