Nen-Aisha—Reception
Maryam—Year 3

Spring Term 2023

Monday 23 January 2023

Message from Ms Colburn

I hope you have all had a great week and haven't been too cold! Clubs all started last week and it has been lovely to see the children engaging in a wide variety. Our teachers and co-teachers volunteer to run these clubs after school and we are very grateful to them all as without their

commitment we would not be able to offer as many. I look forward to seeing as many of you as possible this Thursday for our parent meetings. Have a lovely week and stay warm!

Academic Review Day

You should all have received new letters regarding our next Academic Review day which is on Thursday of this week. Please do check book bags—appointment times have been emailed as well to you.

Your child must attend the appointment with you and you will be able to look through their books before meeting with your child's teacher to discuss their attainment and progress to date. Please can we ask that you arrive 10 minutes before so that all appointments run to time as much as possible. If you have any worries about your child, Ms Kenshole—our Inclusion lead will be available to talk to if needed. **Please be reminded that school will close at 12:45pm on Thursday.**

Mathletics

As part of pupil home learning, all children **must** be accessing and competing tasks on Mathletics—this is a great maths programme designed to support and accelerate pupils learning in Maths. All pupils have the login details but please do let us know if you need it re-sent. Thank you.

Mathletics

Primary attendance

Thank you parents for your support in ensuring pupils attend every day—our attendance figures are finally increasing and on Wednesday last week two year groups had **100% of pupils in school - Years 3 and 4!** If you need support with your child attending daily, please let Ms Colburn know.

Primary	93.2%
Reception	90.6%
Year 1	90.8%
Year 2	94.5%
Year 3	93.4%
Year 4	94.6%
Year 5	93.9%
Year 6	93.9%

Diary Dates 2022—2023

Thursday 26 January 2023

Primary closes at 12:45pm

Year 5—Banneker	Ms Watts	Mr Kieran
Year 6—Bhaskara	Ms Acton	Ms Chantice
Year 6—Fibonacci	Mr Hetherington	Ms Mima

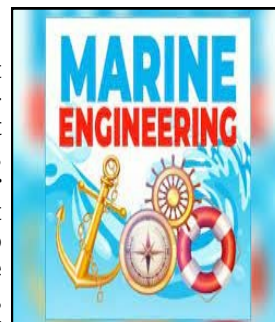

Your child will also be taught by our PE Coach—Mr Malachi and Ms Brooks—our Art teacher.

Reception Seesaw Workshop

Thank you to those parents who attended the Reception Seesaw workshop last Monday. If you were unable to attend, please do speak to Ms Shah about the content. Please do upload anything that the children do at home as we know lots of the children make and do some fantastic things! Thank you!

Year 5 and 6 STEM workshop

Last Thursday, our Year 5 and 6 pupils had a great day with a free Marine Engineering STEM workshop, held in school. Our pupils learnt all about the principals of buoyancy; mass and weight, density, the Archimedes Principal and water displacement, as well as learning all about engineering. The children were then challenged to put into practice what they had learned, and in the afternoon completed a “Build a Boat Challenge”, which is a National Competition run throughout the UK. The children all had a fantastic day and really learnt a lot!

PE Days

Day of the Week	Year Group or Class
