Spring Term 2022

Monday 31 January 2022

Message from Ms Colburn

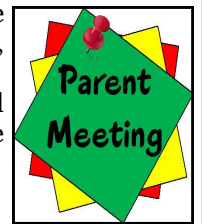

What another great week the children have had! Last week, we had some exciting animals visit the school and our EYFS pupils—read the article below for more information! Unfortunately we have had to postpone our class photos this week—a new date is being organised and this will be shared with you all as soon as possible. Last week, we had more pupils complete their homework and 100% of

Copernicus pupils were able to complete it which is amazing! Well done to all of you in this class! Please ensure your child completes homework weekly as Phase leaders will be making contact with parents in the next few days to determine the reasons why it has not been. Have a lovely week everyone!

Academic Review Meetings

Please be reminded to send back the **Academic Review letter** stating when your preferred slot for the meeting will be. The office are working hard to organise the appointments effectively and letters will be sent home this week with your time on it. We hope to have parents on site—if we are unable to, telephone calls will be made home.

Animal Magic!

Our Nursery and Reception pupils had a wonderful visit on Thursday by a company called 'The Animal Experience'. It was a little unexpected but the children absolutely loved seeing the animals that were brought

in. The children had a fantastic time holding and touching a snake, meerkat, lizard and giant millipede. The children were so fearless at holding the snakes and could not believe how scaly they were! What a great time they all had!

Hair Colours / Nail varnish

Can I please remind you all that hair colour should be natural and that no other colour should be seen. A few pupils have started to have a coloured thread included in their hairstyle and this is **not allowed**. Nail varnish must not be worn at all and pupils will be asked to remove it if seen. Thank you for your support.
