## Message from Ms Colburn

We hope your child has had a great first week back after their holidays—pupils certainly seemed to have had a lovely time at home. Two new pupils have joined us in year 4 and 5 and they both have impressed us by their hard work—it is not easy joining a school mid year but it has been made much easier by existing pupils being very kind and helping them over the course of the week! Thank you Year 4 and 5! The end

of this week sees the annual World Book day—I am really looking forward to seeing what our pupils will be wearing—I wonder if anyone can guess what book characters the staff will be dressing up as! Photos will be in next week's bulletin! Have a great week everyone!

## Year 6 Assessment

This week, our year 6 pupils have their final round of assessments before their SATs in early May 2022. Pupils will be assessed in Spelling, punctuation and grammar (SPAG), reading, writing, maths and arithmetic. Pupils are

working really hard and we know they will absolutely do their very best. Good luck Year 6!

## Important Road Safety

Please can I ask you all that you remind pupils of road safety and how and where to cross the road safely. At the start and end of the school day, it has become noticeable that a lot of families are not crossing the road in safe places—this is putting both yourselves, pupils and drivers in dangerous situations. Ark Globe does have a lollipop person to help families cross the road and we encourage you to use this. Please ensure that you teach your child the green cross code—use this website to help: [think.gov.uk](http://think.gov.uk)

If you have any questions, please do ask.
