Spring Term 2022

Monday 14 March 2022

Message from Ms Colburn

What a lovely week our pupils have had, especially with the installation of the Planetarium—read more about this further down the page. More trips and visits are being booked by our teachers and some do incur a small cost. Please be reminded that we are a cashless school and a parent pay account should be set up. If you do not have one, please speak to a member of our school office who will be able to help you. If you have

a child in Year 6, pupils brought home on Friday a letter detailing the latest set of assessment results. If you have not received this, please contact the school urgently so we can share the information with you. Please do support your child in the weaker areas so the children can do their very best in SATs.

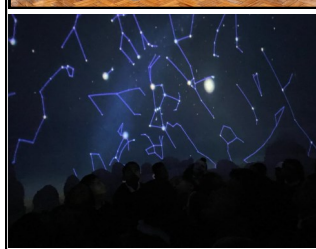

OFSTED Report

As you all know, Ark Globe had a two-day inspection at the end of November 2021. The report is now published and we are delighted with the findings, especially our Early Years which was given a grade of 'outstanding'. Behaviour and attitudes was also evaluated as **outstanding**. Thank you to every single member of our community, we are very proud of our Academy!

National Science Week

Today marks the start of the national Science week and we look forward to sharing with you next week, the wonderful costumes that the children wear today—please check our twitter feed as we will put up some photos throughout the day! However, last week, we had a great visit where a 5m giant planetarium was installed in school. Pupils in Nursery, Reception, Year 1, 2 and 3 were able to visit and had wonderful workshops based on a variety of things such as looking at star formation and the moon!

Dates
for your

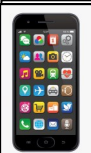

Pupil Birthdays

Happy birthday to the following pupils who have birthdays this week:

Leon	Year 3
Riad	Year 3
Teddy	Reception
Ayaana	Year 4
Faiza	Year 2
Saleem	Year 1
Rayan	Year 6

Wishing you all a very happy birthday!

Social Media

Please be reminded that if your child has a mobile phone to check it on a very regular basis. It is so important that your child is kept safe online, especially with the advances to technology. Children also need to ensure they are kind to each other when sending messages as this is a footprint that can last forever. Thank you.

Extra-Curricular Clubs—Spring 2022

We now have our club list for the Spring term and I am delighted with how many are now on offer. Clubs will run from 3:30—4:30pm and pupils will be able to be collected from the front playground at **4:30pm**.

If you have any questions about the clubs, please speak to Mrs Ratnatunga.
