## Message from Ms Colburn

Welcome back to the third and final term of this academic year! I hope you all had a wonderful holiday and were able to get out and about doing some lovely things with your children. As the start of a new term begins, I would like to welcome to the academy two new families of pupils joining us in Reception and Year 2—I hope your children are very happy here at Ark Globe! Over the holidays, some of our Year 6

pupils came into school for three days for a little extra practice with some key concepts and they did really well and clear progress was seen. Thank you to the staff members who also came in too. This term is very busy as always so please keep an eye on key dates below. Have a lovely rest of the week!

## Ramadan

As lots of you will be aware, many of our families will be in the middle of Ramadan. It is important that we know which pupils are fasting and therefore letters will be sent home on Wednesday to parents to indicate which pupils are and which are not. Please do complete these and send them back as soon as possible so the information can be passed onto class teachers. Thank you.

## Year 6 SATs

In a few weeks, our Year 6 pupils will sit their end of key stage SATs assessments—the first since COVID began! The details are below:

**Monday 9 May** Spelling, Punctuation and Grammar (SPAG)

**Tuesday 10 May** Reading

**Wednesday 11 May** Arithmetic and Maths Reasoning 1

**Thursday 12 May** Maths Reasoning 2

A breakfast will be put on for the pupils (free of charge) for **every** Year 6 pupil during the SATs week—please note that siblings will **not** be permitted to attend. This breakfast will be provided from 7:30am and helps to relax the pupils as we know that some find assessments difficult. More information will be sent out this week.
