Summer Term 2022

Monday 6 June 2022

Message from Ms Colburn

Welcome back to the final half term of the academic year! I hope you all enjoyed the holiday, especially the jubilee celebrations. This half term sees our Year 1 and Year 4 pupils being tested for the first time since 2019 in their Phonics (Year 1) and their multiplication tables (Year 4). We also welcome back our Ark Globe summer fair on Saturday 16 July which we know will be a great success – please do come

along and support the academy! Can I please also remind all parents to collect their child on time—we have seen an increase in the number of pupils who are waiting beyond 3:40pm. We understand at times that there may be traffic but the same pupils are waiting almost on a daily basis—often for Secondary age pupils.

Year 1 Phonics

This week is our **Year 1 Phonics screening check**—this is a national assessment and all year 1 pupils will be taking the same assessment. The children will be tested by Ms Colburn in a very informal and relaxed way. Results will be sent home in early July but a pass mark is 32 or more out of 40. Thank you to all the staff who have worked tirelessly to prepare the pupils well!

Jubilee Celebrations

What a great day our pupils had on Friday 27 May—from afternoon parties to collages of the Queen, the children learnt a huge amount about her as well as what a jubilee is. The children looked amazing in their red, white and blue clothing and enjoyed their different lessons!

Please do support their practise at home—pupils will be given just 6 seconds to answer a question on a laptop and they will have 25 questions. Results will be shared with you following this week.
