## Message from Ms Colburn

I hope you all had a great week despite the sweltering heat towards the end of the week. Our pupils and staff coped admirably and as a treat we bought the children ice lollies on Friday which were very much enjoyed! Our year four pupils are doing very well with their multiplications check which will be finished this week—thank you to our parents for supporting them at home with their learning. This week, our Year 5 and 6

pupils have a workshop with our school nursing team on Tuesday which will be very interesting. Please can I remind car drivers not to turn cars around in front of the school as it is dangerous to our community. Our summer fair is also fast approaching—please add this date to your diaries!

## Tube / Train strikes

I am sure you are all aware but on Tuesday 21 and Thursday 23 there are planned **train and tube strikes**. This will affect those of you who rely on transport for work or getting to Ark Globe to drop off / collect your children. Therefore clubs on Tuesday and Thursday will be **cancelled this week** so that all pupils and staff are able to get home in a timely manner. If there are any issues, please ensure you let the school know in advance. Thanks

## Ark Music Gala

Last Thursday, 10 pupils took part in Ark choir rehearsals as they are part of the mass choir performing at the London Barbican on Monday 27 June. The children loved being part of the rehearsals and over 400 pupils from Ark schools around the country were present. Thank you to Ms Rachael and Ms Acton for their time in supporting the children—we know they had a great time! This image is from the 2019 Ark Gala and shows just how many pupils took part!

## Parent Pay

Please be reminded that we are a cashless school—all trips must be paid on time and via Parent Pay please. If you do not have a login, please do speak to a member of the admin team either at the start or end of the day and we can help set up the account.
