Summer Term 2022

Monday 11 July 2022

Message from Ms Colburn

Welcome to the month of July—the year is going by so quickly and we only have another 2 more weeks left of the summer term! I hope you all have some lovely plans for the summer holidays. However before we get to that point, there are lots of things happening in Primary from Sports days, to trips out, to our Year 6 graduation and of course our final academic review meetings with teachers and parents on

Tuesday 19 July. Letters were sent out last Thursday with an appointment time on it—the same as the previous meeting. If there are any issues with this, please let us know as soon as possible and we will change it if we can. Please be reminded that school closes at **12:45pm** on this day for the appointments.

ENJOY YOUR WEEK!

Year 4 to Pizza Express

Year 4 pupils had a fantastic time two weeks ago at Pizza Express. The children were able to design and roll out the dough to create their individual pizzas and then they learnt all about them. The pupils were able to bring the pizzas back and eat them! What a great morning they all had.

Ark Music Gala

Two weeks ago, 9 of our Year 5 and 6 pupils participated in the annual Ark Music Gala at the London Barbican. The pupils have been working so hard in the lead up and absolutely did us proud. They had a brilliant afternoon of rehearsals and a fantastic performance in the evening as part of the mass choir. Next year, I am determined to see Ark Globe perform their own piece so watch this space! Well done to the following pupils: Alexis, Ellen, Ajoa, Rihannah, Maria, Natalia, Natara, Aicha and Kourtney. We are very proud of you all!

Reception to Transport Museum

Our wonderful Reception pupils had a fantastic day out on Wednesday at the London Transport Museum. They saw so many amazing modes of transport—some of which they had never seen before. Thank you to all of our parents and carers who came along too—we hope you weren't too tired! Take a look at these great photos.

Sports Days

Please be reminded that **all pupils** have their Sports days this week—dates and times are on the front page. Parents are invited to watch—if you are coming to watch KS2 in the afternoon, you must sign in at the Secondary as the session is taking place on our Globe track. Pupils should come to school in PE kit wearing the colour of the team they have been placed in. Thanks

Primary Design Technology Day

All of our pupils had a fantastic day on Friday, designing, making and evaluating different types of textiles from flags to phone cases to pencil cases. Some of the skills shown from our pupils were amazing and they all had a great time sewing—although this proved tricky at times, especially when they had to thread a needle.
