Summer Term 2022

Monday 1 August 2022

Message from Ms Colburn

What a wonderful year we have all had at Ark Globe Primary! From OFSTED to trips out to Year 6 graduation and maths day, I know our pupils have continued to learn every single day. However all of this could not take place without our wonderful team of staff who go above and beyond every single day as well as the amazing support and kindness from our parents and community. I wish our Year 6 pupils all

the success for the future as they move onto their Secondary schools. I am genuinely looking forward to the next academic year to see our children build on their successes this year. However for now, I hope you all have a fantastic summer full of fun and adventure!

Free SEND Imagination Box activities

FREE Imagination Boxes for children with SEND are being offered in partnership with The LEGO Group. The box is full of sensory activities for children to spark joy and to support the development of skills and wellbeing. If you are interested, please sign up:

Meet The Teacher - Sept 2022

As I am sure you all know, we will have a number of new class teachers and co-teachers in September. In the week of **Monday 19 September**, we have organised for a 'Meet The Teacher' session where you will be able to come into school at 3:45pm and attend a short session with other parents about your child's year group. Further information will be sent in early September.

Primary Attendance 2021–2022

Every year we aim for attendance above that of the national average and this year it has continued despite absences last Autumn for COVID. Our pupil attendance is **94.47%** compared to the national average of 93.1% with our Year 6 pupils on 96.09% which is fantastic. However, we really need to ensure all pupils are in school every day and we will be aiming for above 96% for the year. Please help us to achieve this!

British Museum visit

Last Wednesday, our Year 3 pupils had a great trip to the British museum. They had a wonderful day and enjoyed seeing all of the amazing artefacts!

Natural History Museum visit

Our Year 4 pupils also had a trip last week and visited the Natural History museum! Pupils learnt so much and saw lots of exciting things from the past!
