## Message from Ms Colburn

Welcome to the start of the penultimate week of the academic term and what a year it has been! I hope you are all continuing to be fit and well despite COVID numbers creeping up. All pupil assessments have now been finished and you will find out how successful your child has been in the end of year report. These will be sent home with your child on Friday of this week—please do let us know asap if you do not receive it and we will email it out. A letter explaining the codes will also be emailed to you

all—however if there is anything you do not understand, please do ask your child's class teacher at the telephone academic review appointment on Monday. This meeting will be to discuss how you can help your child further in readiness for the next academic year. I hope you all have a great week ahead!

**ENJOY YOUR WEEK!**

## Pupil books

As we come to the end of the academic year, pupil books will be sent home for you to look through and see all the wonderful work the children have been doing. Please can you provide your child with a plastic bag into their book bags to enable them to take them home. They will be sent home on Monday 19 July—our wider curriculum book will be sent home on the last day of the term.

## Academic Review Meetings

As you know, our final academic review meetings will be held on Monday 19 July 2021 and due to continuing COVID-19 restrictions, they will be held via telephone. A letter has been sent (Monday 28 June), with a link to a form for you to select your preferred appointment time for your children. Please do complete this as soon as possible. Our admin team will be arranging the appointments and you will be sent an approximate time in which teachers will call you. Pupil books and reports will be sent home prior to the meetings.

## Eid 2021

As many of you will know, next week is the second Eid of the year. If your child will be celebrating on this day (Tuesday 20 July), please ensure you call the school office so their attendance can be recorded accurately. Wishing all our families who celebrate it a very happy Eid.

### Sports Days 2021

This week sees the start of our Olympic week which also includes our Sports Days. Pupils will compete in their year groups and have already been placed in four different colours. Letters were sent home last week to specify which colour team they will be competing in.

### Reception Pupils have Euro Fun

Pupils in Reception have been celebrating the successes of the England team. Some of the boys made a football pitch in the construction area and were re-enacting the England -Denmark game! Such a great example of using the outdoor area to show what they are learning in their home lives. Great work boys!

### Class Parties

To celebrate the end of the term and academic year, class parties will be held during the afternoon of Thursday 22 July 2021 for all pupils in Reception to Year 6. Nursery pupils will have their party on the same day but in the morning. Pupils will bring home the class party letter on Tuesday with a suggestion for food or drink.
