Summer Term 2021

Monday 19 July 2021

Message from Ms Colburn

As we start the final week of the academic year, I look back at such an astonishing year and everything that has taken place and could not have asked for more from our staff and pupils. The levels of resilience seen has been immeasurable and our pupils recent assessment results show just how hard they have all worked since returning back to school in March. Pupil reports were sent home on Friday—please let us know if you did not receive them—and I hope you have been able to celebrate your child's

report and associated comments.

Parents—thank you for your continued support and positive comments through what has been a challenging year. I sincerely hope that 2021—2022 returns to 'normal'. I really hope you all have a wonderful summer and I look forward to seeing you all again in September!

Pupil books

Today, pupils across the school will bring home their academic books from the whole year. Please do take the time to look through them as the children have all made such great progress and the children are proud of their work. If you have any questions, please don't hesitate to discuss it with your child's class teacher this afternoon.

Academic Review Meetings

By now you should all have received—in paper copy and emailed—the times for your child's academic review appointment this afternoon. Please make sure you are able to speak to the class teacher at the time given **today**—teachers have back to back appointments up to 6pm so it will be difficult to re-arrange. I hope you will all be very proud of your child following the very challenging 18 months they have all had. And if the assessments results are not what you expected, please note that the children all did their very best!

Eid 2021

As many of you will know, next tomorrow is the second Eid of the year. If your child will be celebrating on this day (Tuesday 20 July), please ensure you call the school office so their attendance can be recorded accurately. Wishing all our families who celebrate it a very happy Eid.

Sports Days 2021

What a great week of Sports Days our pupils have had this week! Each class had their own mini sports day with children competing in different colours which represented different countries. Pupils who won their races were given medals last week in a special Sports Day assembly. All the points were added together and the final results are as follows:

Key Stage One—1st Place: France (Blue Team)

Key Stage Two—1st Place: Sweden (Yellow Team)
