Summer Term 2021

Monday 10 May 2021

Message from Ms Colburn

Another week has quickly passed and life in school continues to be returning to relative normality. I have continued to be so impressed by our pupils' level of resilience and their love of learning. Lots of pupils bring me on a regular basis their lovely work and this week, it was great to see some wonderful work from our youngest pupils in Nursery. They have spent their week creating some fantastic books and

labelling the pictures. It is great to see just how the initial mark marking in Nursery ends up with amazing creative writing in Year 6. Well done Newton class! This week also sees the celebration of Eid for many of our families. Please do let us know if your child will be celebrating Eid so it can be recorded correctly on our registers. We also have two new members of staff to the Globe team—Ms Emma who is working in

Thales as Ms Ilhaam has left to start a new career in digital marketing. And we have Ms Sophie in Pythagoras to replace Mr Adam who is now rehearsing at the Globe Theatre. They have proved to be great, new members of staff already! Have a wonderful week everyone!

Weekly Homework

As you are all aware, our pupils receive homework every Tuesday which is now uploaded to our online learning platform — SeeSaw. Some pupils may be given their work in paper copy. Please do check it every week as teachers are adding on the homework. Pupils should also be reading every night at home and we ask adults to record any comments in their reading record. If your child has lost their SeeSaw login in and/or password, please let us know straight away so we can provide you with new details.

Amazing Artists!

Yet again, we have some wonderful art work produced by pupils this week. Our Year 4 pupils are learning all about the Mayans and have produced these fantastic Sun God sculptures made from clay. Well done Year 4—excellent work!

Diary Dates 2020—2021

Friday 28 May 2021 Pupils finish for half term holiday

Monday 7 June 2021 Pupils return to school at 8:30am / 8:45am

Thursday 14 July 2021 Summer Academic Review afternoon appointments
School closes at 12:30—Nursery /Reception/Yr 1/Yr 2
12:45—Years 3, 4, 5 and 6

Road Safety

Please can I ask you all that **you and your children** cross the road safely and in a safe place as recently there have been a few near misses! Please ensure that you teach your children where, how and when to cross roads and can I please ask that parents act as role models. We do have a lollipop lady to help the children cross and she should be used as much as possible. Thank you!

Pupil Birthdays

Happy birthday to the following pupils this week:

Raeyann	Fibonacci
Ersan	Archimedes
Luis	Tobias
Samira	Euclid

We hope you have a lovely day celebrating!

Extra-Curricular Clubs

Our clubs (all 19 of them!) are now in the third week and I hope your child is enjoying their club. Please see below for when they are:

Thursday:	Year 2 Reading Club Year 3 Computing Club Year 3 Multi-Skills Club Year 5 Games Club Year 6 Secondary Transition programme

Reception and Year 1 and 2 Clubs
3:30–4:15pm

Year 3, 4, 5 and 6 Clubs
3:45–4:30pm

Digital Devices—Years 3–6

I am delighted to share that we have given out over 150 digital devices to pupils in Years 3, 4, 5 and 6 since the start of the January lockdown. If your child is in one of these year groups and does **not** have their own device ie they do not share with a brother or sister, please let me know as soon as possible and we will arrange for your child to receive one. We do expect our pupils in KS2 to use their device for **homework and additional learning** and we are able to track when and how long they are used for. If you have any questions, please do ask.

Online Learning—Academic Websites to use

Thank you everyone for your very kind comments on your child's assessment reply sheet. Our staff work exceptionally hard in ensuring your son or daughter learns as well as they can and we have seen some excellent improvements. With the two school closures over the past year, we know this has impacted on the majority of pupils and some of you may want some extra work for your child at home. Please take a look at the websites below so that you can access the online learning websites to ensure your child does as well as they can this term.

Maths and English Practise

IXL have separate pages of skills linked to individual year groups and there are links to practise both English and Maths skills. Pages are then split into skills of which has a practise question for the children to think about.

https://uk.ixl.com/promo?partner=google&campaign=1187&adGroup=Key+Stage+2&gclid=CPPa8teS_8kCFQbnwgodgOIB6A

BBC Education have produced a whole host of materials for pupils. Follow the link and then select either Maths or English. Each area usually has an information section for reading, plus an activity and then quiz which is marked online. Some aspects require a subscription. <http://www.bbc.co.uk/education>
