Well done everyone for their great work last week!

Summer Term 2021

Monday 17 May 2021

Message from Ms Colburn

Last Thursday, many of our school community were not in school as they celebrated Eid-Al-Fitr—the feast of breaking the fast. We hope that everyone was able to enjoy this special occasion with family and friends—we certainly enjoyed hearing about it on Friday around school. This message is short this week as we have included details of a great course (to be held this week) for parents in helping your child with reading. We hope you all have a wonderful week ahead!

Free Parent Online Workshop

Dandelion Learning is an organisation that delivers high quality English training and support for schools across the UK. They have recently launched a free online course for parents who have children at primary school. This course will equip you with useful knowledge so that you will be able to support your child at home.

Course 2: Raising a Reader Thursday 20th May 2021 7pm – 7.45pm

We know from current research that children of all ages who read for pleasure perform better in all subjects. Reading for pleasure also builds empathy, improves wellbeing and has a dramatic impact on life outcomes. This session will explore practical tips on how to help your child to foster a love of reading. Click on the following link to register for the course: <https://www.dandelionlearning.co.uk/raising-a-reader-top-tips-for-parents-to-foster-a-love-of-reading-free-training/>

Next week we will share details of a grammar course held in July to help you support your child with their understanding of grammar—nouns, adjectives, verbs, determiners etc.

Amazing Artists!

We hope everyone who celebrated Eid with their families last week had a wonderful time. Take a look at these fantastic Eid card designs by Year 3 and 6 pupils:

End of the day – Parents

As you all know, parents must line up at the end of the day on Harper Road to collect their child. However, it has been noted recently that a number of parents are not lining up and are just walking to the front. Can I please remind you **all to line up** so that the collection of pupils is smooth and there are no issues. Parents and older pupils must wear a mask too –we will have spares from Monday for you to have if you forget yours.

Pupil Birthdays

Happy birthday to the following pupils this week:

Illyas	Tuesday
Julmonda	Thursday
Connor	Thursday
Feerozah	Saturday
Feeryalle	Saturday

We hope you have a lovely day celebrating!

Children's Reading Books

We are always looking to keep our book corners filled with reading books. If you are having a clear out at home as your child is now too old for them, please do send them in and we will sort them for the right age group. If you also have any school reading books that do not belong at home, please send them back in so other pupils can enjoy them. We would love non-fiction books too! Thank you.

Road Safety Green Cross Code

Last week, I asked that parents be role models to their child when crossing the road as there was very nearly had an accident. We will ensure pupils understand how to cross the roads safely in school and more importantly where to cross but please do support us by using the Green Cross Code! Please use our lollipop lady as often as you can and remind your child not to cross the road between cars if they walk to and from school on their own. Assemblies over the next few weeks will teach children to be safe!

THE GREEN CROSS CODE

A thorough knowledge of the Green Cross Code is vitally important to primary school children aged **over 7 years**:

1. First find a safe place to cross
2. Stop just before you get to the kerb
3. Look all around for traffic and listen
4. If traffic is coming, let it pass, look all around again and listen
5. When it is safe go straight across the road - do not run
6. Keep looking and listening for traffic while you cross

STOP - LOOK - LISTEN
