## Summer Term 2021

**Monday 24 May 2021**

### Message from Ms Colburn

As we enter the final week of this half term, our children continue to inspire me every day. Despite the challenges of the past year, all of our pupils continue to rise to the challenge of closing the gaps created by lockdown. Last week, arithmetic and SPAG assessments were taken and the level of progress made by the pupils is outstanding. Thank you parents for continuing to work hard with your child at home—we are definitely seeing improvements! Enjoy the week everyone!

### Free Parent Online Workshop

Last week, I shared a link to free online reading training for our parents and this week are details of a Spelling, punctuation and grammar course (SPAG).

Dandelion Learning is an organisation that delivers high quality English training and support for schools across the UK.  
Course details: Thursday 15 July 2021— 7pm (45mins)

Helping parents with home learning:

#### Getting to grips with Grammar!

This course is designed to help primary school parents with home learning. In the session parents will explore:

- Grammatical terminology. Consolidate your understanding of word classes including nouns, verbs, adjectives, determiners, conjunctions, pronouns and adverbs.

- Ways to support your child at home with their understanding of grammar.

### Year 3, 4 and 5 Digital Devices

As you may be aware, **all** Year 3, 4, 5 and 6 pupils will be able to receive their own digital device from school—even if they have their own at home.

Anyone in **Year 3, 4 and 5** who does not have their own school device should have received last week a contract to read and sign before returning it to school. Devices will be given out from the Secondary office between **8am and 9:30am on Tuesday 25 May 2021**. Please be aware that an adult must collect it—children will not be allowed to get their device. These devices should be used for homework as well as other learning at home.

### Half Term

Please don't forget that next week is half term. The children finish at the normal time of 3:30pm or 3:45pm. Pupils return on Monday 7 June 2021. We hope you all have a great half term with plenty of fun (and sunshine!).

## RE Day—Summer 2021

As part of our ongoing work on our curriculum, last Friday, we held our second RE day of the year with the topic of Sikhism. Pupils spent the day learning all about this religion and understanding how it originated. They learnt where Sikhs go to worship as well as religious stories. Our year 2 pupils even made these wonderful Diwali lights out of dough!
