Well done everyone for their great work last week!

Summer Term 2021

Monday 7 June 2021

Message from Ms Colburn

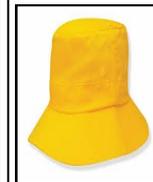

Welcome back after what I hope has been a great half term for you all. We have a couple of new pupils starting today so I welcome them and their families to the Ark Globe community. This term marks the final one in what has been another very different year for our pupils and families and as I have said many times before, I could not be prouder of how well our children have coped and how they have continued to demonstrate such resilience and determination to close the gaps caused by COVID-

19. This term, there are many events planned for the children such as an Olympic themed week, Sports days and a DT textile day as well as our Year 6 pupils taking part in a joint project with the Unicorn Theatre. I hope all of our children have a very successful half term ahead!

Summer Uniform

As the weather is now becoming much warmer, please can I remind you all that pupils should be bringing in a summer hat to wear at play and lunchtimes every day. Every pupil should also have a named, water bottle to use daily and which they can fill up from the playgrounds. Sun cream letters will be sent out this week to explain the process if the weather get very hot.

Digital Devices

Over 200 KS2 pupils have now received a new Chromebook which is a fantastic achievement and will ensure all pupils are able to access and complete home learning as well as any other pieces of work. However, we have noticed through our SENSO safeguarding monitor that the Chromebook may be being used by adults to search for various information. Please can I remind you that the laptops should **only be used by the children** for school related work or for additional learning that you may want them to do. Thank you.

Mrs Schorah

I am delighted to welcome back Mrs Schorah to the Ark Globe team after her maternity leave. She will now move into Nursery and will be their teacher for the remainder of the summer term. This does mean that we have had to say goodbye to Ms Nikki, our Nursery teacher. I would like to take this opportunity to thank Ms Nikki for all of her work and wish her well for the future.

Diary Dates 2020—2021

Monday 7 June 2021

Pupils return to school at 8:30am / 8:45am

Monday 19 July 2021

Summer Academic Review afternoon appointments

School closes at 12:30—Nursery /Reception/Yr 1/Yr 2
12:45—Years 3, 4, 5 and 6

(Please note a change of date to the academic review afternoon—how the meetings will be run is still to be confirmed)

Pupil Birthdays

Happy birthday to the following pupils this week:

Victory	Year 2

Reception and Year 1 and 2 Clubs
3:30—4:15pm

Year 3, 4, 5 and 6 Clubs
3:45—4:30pm

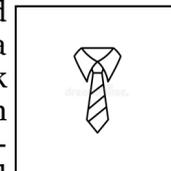

Mega Prize winner

Last week, we drew the raffle ticket for our half termly MEGA prize as part of our going for gold positive behaviour system. Lots more children reached gold again last half term which is testament to how well they are high levels of professionalism in and around the school. We had 80 children reach gold in the last week! I am delighted to share that Shia in Year 6 was the winner for Summer 1 and he has been given a £100 amazon voucher to spend on a gift of their choice. Well done Shia.

Uniform—ties

The majority of our pupils look very smart every single day that they come to school. However there is an increasing number of children who are forgetting to wear their school tie—this applies to boys in Year 4, 5 and 6. They should also be wearing a white shirt (not a polo shirt). **Parents**—please can I ask that you check to see if your children are looking as smart as they can before they leave the house. If your child does not know how to tie a tie, please teach them!

Year 6 Drama Project

A very exciting new project with the Unicorn Theatre will be launched this week with our Year 6 pupils. Every Thursday or Friday afternoon—depending on the class—our pupils will be working with an 'Artist in residence', writing, creating and eventually performing a

fantastic short play to show the other class in the year group. The project will take place for 5 weeks in total and the purpose of the project is to give our older pupils an opportunity at working with external professionals to develop further their creative and practical skills! Keep an eye out for how well they get on over the next few weeks!

New Summer Menus

This week, we launch new summer menus for the children at lunchtime. The menus have been emailed out to you all so please do look to see what the menus consist of. There are 3 menus in total—one per week over a 3 week cycle. This week we will start on Menu 1. Some of our children do bring in their own lunch from school. Can I please remind you that the following foods are **not allowed**:

- Anything with nuts in them
- Crisps / chocolate / fizzy drinks / sweets

If you have any questions about the lunch food, please do ask.
