Well done everyone for their great work last week!

Summer Term 2021

Monday 21 June 2021

Message from Ms Colburn

Yet another very busy week has flown by and the children continue to astound me with their determination to succeed. We had another 80 pupils receiving 'gold' this week which is an excellent number and as a reward, they received their Principal lunch last Friday!

The next few weeks will continue to be busy in school with Sports Days, Olympic Week and a DT day long with the usual curriculum. There is also the final Academic Review

meetings for your child on Monday 19 July. Sadly, we still cannot have parents on site so these meetings will be via the telephone again. A letter will be sent via email in the net couple of days and you will be asked to complete an online form for a preferred time. The academy admin team will then sort out the appointments for your child. School reports will be sent home on Friday 16 July so you can read them ahead of the appointments. Wishing you all a great week!

Jewellery

As you are aware, watches and small earrings are allowed to be worn by pupils on a daily basis. However, recently there has been an increase in the number of children wearing rings, bracelets and/or necklaces. Please can you remind your child that this is **not** allowed and if seen, the jewellery will be taken off them and kept until the end of the day when it will be returned. Thank you

Sports Days 2021

Please be aware that we will still be holding Sports Days for all of our pupils this term —

however they won't be in key stages but will take place as like last year in year groups due to COVID-19 restrictions. Unfortunately parents will not be able to be onsite again due to the huge number that usually watches. However, we will tweet photos and will add them to this bulletin. All Sports Days will be held in July—this information will be sent home in a few weeks.

Water bottles

It has been great to see lots of pupils bringing into school their water bottle on a daily basis. Please ensure pupils fill them up at home to avoid disrupting the first part of their lessons. During the day, children are able to fill them from the water bottles around school as well as outside in the KS2 playground. We really want to discourage plastic bottles so refillable ones are preferable please.

Year 6—7 Transition

Thursday 8 July is Southwark local authority transition day for pupils in Year 6. On this day, Year 6 pupils will spend the day at their new school in preparation for Year 7 in September. For our Year 6 pupils going to Ark Globe, they will not need to come to Primary before going to Secondary. Further information from your child's new Secondary school will be sent soon if you have not yet received it.

KEEP CALM
Welcome to
YEAR 7

Year 6 Assessments

Our year 6 pupils will also be taking their final assessments of the year this week.

Monday—Spelling, punctuation and grammar

Tuesday—Reading

Wednesday—Maths 1 and arithmetic

Thursday—Maths 2

The children have worked hard all year and deserve to achieve their best scores yet!

Year 4 Assessments

This week our lovely year 4 pupils will be taking part in their multiplication tables check up to x12. There are 25 questions with just 6 seconds for each question. Pupils have been practising hard and we know they will do their very best to try and reach full marks!

Nursery and Reception Transition

Over the next couple of weeks, we will be sending out information regarding the Nursery to Reception transition arrangements in preparation for September. **Reception:** If your child is starting in our Reception in September, we will arrange a 15 minute face to face appointment with you and your child where they will discuss your child's strengths, areas you think they need to improve in as well as any worries you might have. We are still unable to hold our usual 'Stay and Play' sessions but are hoping to organise a zoom story time with pupils—further details to follow.

Nursery: If your child is joining our Nursery in September, home visits will be undertaken (Covid guidance permitting) in September where information about your child will be gathered.

Olympic Week 2021

During the week of 12 July, pupils from Nursery to Year 6 will be learning all about the Olympics that are (at present) still to take place in Japan having been postponed from 2020. Our pupils will

learn all about the history of the Olympics and Paralympics as well as the events, medals, training and much more. Each class will also be finding out all about the history of one of the participating countries in the Olympics and will hopefully be taking part in an Opening Ceremony to start the week off. During this week, pupils will also be having their year group Sports Days!
