## Summer Term 2021

Monday 28 June 2021

### Message from Ms Colburn

What a great week our children have had and I have been very impressed by how hard they are all working., especially Year 4 and 6 pupils who took a variety of assessments this week.

This coming week, our pupils in Year 2, 3 and 4 take part in their final assessments of the year—details are on page 2. We know pupils will try their very best and that is all we can ask of them. Whatever results pupils will get we know that they all have made progress which

considering the past 18 months will be fantastic!

Our Year 6 pupils have also been busy working with the Unicorn theatre every week and pupils are thoroughly enjoying themselves! Keep up the great work Year 6. Have a great week

everyone, let's hope the sun starts shining soon!

ENJOY YOUR WEEK!

### INSET Day—School Closed

Please be reminded that the school will be closed to all pupils—Primary and Secondary—on Friday 2nd July. This is for training for all staff. The academy will re-open on Monday 5 July.

### Academic Review Meetings

As you know, our final academic review meetings will be held on Monday 19 July 2021 and due to continuing COVID-19 restrictions, they will be held via telephone. A letter will be sent on today (Monday 28 July), with a link to a form for you to select your preferred appointment time for your children. Please do complete this as soon as possible. Our admin team will be arranging the appointments and you will be sent an approximate time in which teachers will call you. Pupil books and reports will be sent home prior to the meetings.

### Lunch Menus—Change

Please be aware that our lunch menus have slightly changed from the ones that I sent through a few weeks ago. The new menus have been sent in the same email as this bulletin so please do take a look through them. If there are any questions relating to them, please do not hesitate to ask on

### Year 4 and 6 Assessments

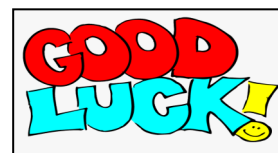

Last week, our lovely Year 4 and 6 pupils took part in a variety of assessments and they did so well. The progress they all made has been fantastic to see—despite having a national lockdown in the Spring term—and they should all feel very proud of themselves. Results will be on the next set of pupil reports which will come home on Friday 16 July 2021. Well done everyone!

### Year 2, 3 and 4 Assessments

This week, pupils in Year 2, 3 and 4 will be taking part in their final assessments of the year. Pupils will be assessed in a variety of assessments:

- Maths
- Reading
- Arithmetic
- SPAG (Spelling, Punctuation and Grammar)

Pupils have been well prepared for these and we know that pupils will do their very best. Some pupils will be taking them in smaller groups so they are not as daunting. Good luck to everyone!
