Well done to everyone at home for their continued hard work and great effort with Home Learning!

Spring Term 2021

Monday 25 January 2021

Message from Ms Colburn

What a great week all of our pupils have both in school and at home. Firstly, **parents** – well done and thank you for your continued hard work and support in ensuring pupils are completing their work every day—as well as uploading it to Seesaw. We know it is not easy but you are doing a fantastic role which is often combined with your own work. The best piece of advice is to structure your day and have a

strict routine for the children to work towards. The children should be able to complete all of the lessons in either a morning or an afternoon which then leaves them to get on with other optional work.

You should now have all received another work pack in your post—this includes a science and a humanities book for the children to work through—this is optional however and should be

completed after the daily maths, arithmetic, reading and writing lessons. You can also read about in the newsletter how pupils at home can still be awarded a weekly raffle ticket for a half termly mega prize! Well done everyone and I hope you all have a great week!

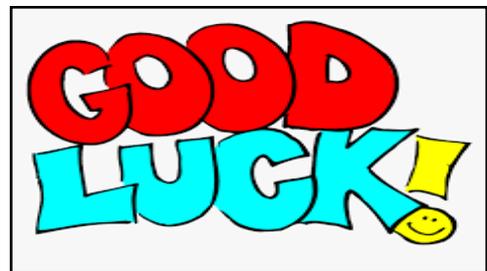

Remote Home Learning

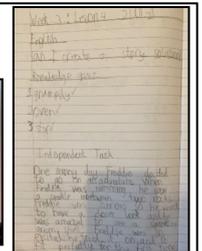

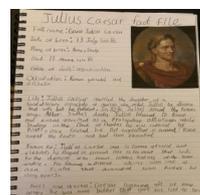

This week we have had lots more pupils completing all **4 pieces of work every day**. Please be reminded that you need to do this so you don't fall behind. Your teachers and co-teachers along with Ms Colburn, Ms McAuliffe, Mr Bellamy and Ms Row will check your work every day so make them very proud!

If you need any help, please let your teachers know straight away using the email addresses below and we will call you as soon as we can.

Great pieces of work!

Home learning 'Going for Gold' raffle tickets

As part of our 'Going for Gold' behaviour system, pupils can be awarded a raffle ticket when they reach Gold. Obviously this is more of a challenge now most pupils are at home. However, we still want to award raffle tickets to **all pupils at home** and we are going to do this in the following way:

1. Pupils should be completing **4 lessons daily** which is 20 each week
2. Pupil will be in our **purple zone** if they complete at least **18/20 per week**
3. All pupils who reach **purple** will be given a raffle ticket for our Spring 1 mega prize draw.
4. Pupil names will be shared on Seesaw by your teacher every Monday morning!

Good luck with achieving your raffle ticket!

Seesaw Family Accounts

Please look out for an invite email to create a **Family Account on Seesaw**, where you will be able to access your child's Class Journal and contact their teachers. During this week's telephone call with the year group co-teacher, please confirm the email address you would like this invite to be sent to, if you have not received it already. Once you have received an invite link, download 'Seesaw Family' from the app store to set up your account and then you can look forward to receiving notifications for new posts on your child's class journal and updates from their class teacher.
