Well done to everyone at home for their continued hard work and great effort with Home Learning!

Spring Term 2021

Monday 8 February 2021

Message from Ms Colburn

Welcome to the final week of this half term and what a different half term it has been. As always, a huge thank you for supporting, cajoling, persuading and teaching your children. You are all doing a great job and we know it is difficult.

This half term has been very different to the first school lockdown in terms of how the children have been learning and I have to say how proud I am of all the staff for the very

quick way in which they have adapted their teaching in order for pupils to learn at home. The videos that the teachers are producing have been very good and from the work that I have seen on Seesaw, the children have all been doing what has been asked of them. This week also sees the start of our daily class catch-ups which will bring the community of Globe back together again. These

20-minute sessions start on **Wednesday 10 February**—more information is on page 2 of this bulletin. I hope you all have a very well deserved half term break—the last lessons for pupils will be on **Thursday 11 February** and then again from **Tuesday 23 February** due to INSET days. Have fun in half term!

Returning to Ark Globe Academy

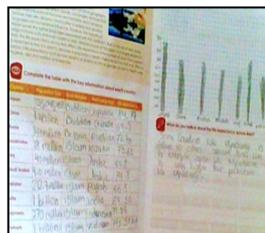

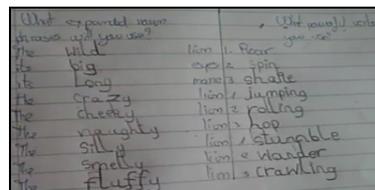

As you know, schools in England will continue to be shut until at least March 8th 2021. However, there may be guidance on this over the coming weeks. Please be aware that we find out when you do so we are unable to share any additional information. However, as soon as we are told, we will let you all know the plans.

Congratulations Ms Paige

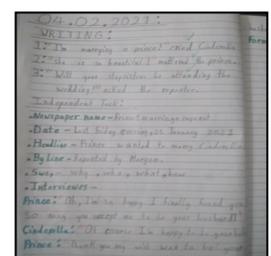

Congratulations are in order to Ms Paige who has now given birth to a gorgeous baby boy—Jaxson. He was born on 31st January 2021 and Ms Paige and baby Jaxson are all doing well. Hopefully she may bring him in to see you all when schools return!

Great pieces of home learning!

Multiplying Three Numbers			
2x3x2=12	4	3x2x2=12	18
2x3x3=18	0	3x2x3=18	24
3x0x3=0	48	4x3x2x2=24	100
4x3x2x4=48	32	5x4x2x5=100	56
7x8x2=56	40	3x3x3x3=27	27
3x2x3x4=72	64	2x3x4x5=120	26
2x4x8x64=64	90	2x2x3x3=36	54
3x2x18x90=90	64	3x3x3x3=27	27
4x4x16x64=64	72	2x2x2x2x2=32	14
6x2x12x72=72	64	10x2x20x60=60	60
4x2x8x64=64			

Pupil Class Catch Ups

As you are now aware, we have now organised daily class catch-ups in order to bring together the Ark Globe Primary Community. We know our pupils have found school being shut challenging and therefore this is a great way of the children 'seeing' each other albeit

Reception—3:00pm

Year 1—1:50pm

Year 2—11:40am

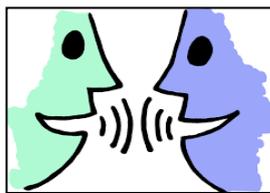

Year 3—11:10am

Year 4—9:00am

Year 5—1:30pm

Year 6—9:20am

virtually. These will start on **Wednesday 10 February** at the times shown. Parent guidance on how to access Microsoft Teams and the meetings has been emailed to all parents as well as posted out. Pupil and parent protocols have also been sent out—please share these with your children. Pupils in Community Classroom will also be a part of them so hopefully all pupils will enjoy this time together. Any problems, please do let your class teachers know and they will guide you through the process.

Community Classroom Stars of the Week

Year 4

Fatima

Year 6

Shia

Well done to everyone at school for their continued hard work and great effort with their lessons in Community Classroom!

Pupil Birthdays

Happy birthday to the following pupils this week:

Joyce—Euclid

Joshua—Euclid

Alarna—Baneker

We hope you have a lovely day celebrating!

Year 3 Big Sing

Our Year 3 Community Classroom group were lucky enough last week to be a part of the Secondary Big Sing. They visited the recording studio in the Pentagon where they practised, rehearsed and recorded a small section of a song that the older pupils have been involved in. The children had a great morning and feedback was that they all had beautiful voices and were well-engaged! Well done Year 3 Community Classroom.

Daily Health and Fitness Challenges

Well done to those of you who were able to complete Mr Malachi's PE challenges this week. This week's winners are:

Nursery—**Aaliyah** for being super creative and using a range of jumps

Reception—**Titilope** for thinking imaginatively and demonstrating lots of skills

Year 3—**Eden, Omar and Patrick** for completing all of the challenges this week and for great effort, especially with the videos sent in.

This weeks challenges are:

Monday: For 20 seconds each, run on the spot, boxing punches, karate kicks

Tuesday: Make the following letters using your body: L T C Y X V

Wednesday: Complete these fitness challenges—5 jumps and claps, 10 star jumps, 15 boxing punches

Thursday: With a partner, see who can balance the longest in 5 different ways

Friday: Find out the definition of balance

We are so pleased with the huge number of pupils taking part in these challenges!
