Spring Term 2021

Monday 22 February 2021

## Message from Ms Colburn

Welcome back to Ark Globe after the half term holiday. I hope you all had a relaxing but safe half term and were able to get out for some fresh air. I hope too that your child has been able to step away from their screens for a while after all of their hard work last half term.

As I am sure you are all aware, today we find out from the government the next step with regards to pupils returning back to

school. However we do know this won't be before 8 March. As soon as we are able to digest the information, we will of course let you all know the plans for our pupils.

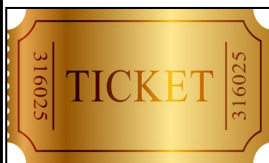

The class catch ups start again tomorrow and it has been wonderful to see so many children joining the sessions. Please do encourage your child to attend—this will start the smooth process of connectivity back to

school. New lessons will be uploaded to Seesaw from 8:30am tomorrow and our weekly telephone calls will also start up—please do let your class teacher or co-teacher know if there are any issues. As ever, thank you for your continued hard work in supporting your children to complete their lessons. You are all doing a fantastic job!

## Mega Prize Winner

Many congratulations to our most recent mega prize winner—**Hawal** in Year 2. His name was picked out from all of the many gold raffle tickets that pupils had been awarded last half term. He now has £100 to spend on an item of his choice. Well done Hawal, this is thoroughly deserved and we hope you enjoy your prize!

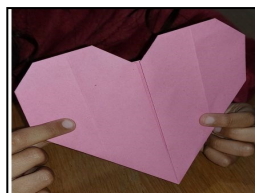

## KS2 Chromebooks

We have now been able to allocate Chromebooks to all pupils in KS2 that need one ie they do not have sole use of a digital device at home. However, there are still a number that have not been collected. Please ensure you do collect the one allocated to your child (Tuesdays or Thursdays from 1:30—3:00pm) so that any left can be given to our younger pupils.

Neaveh—Year 2

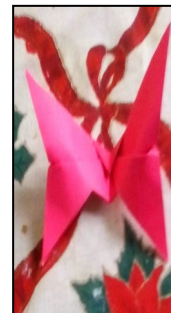

Ayaana —Year 3

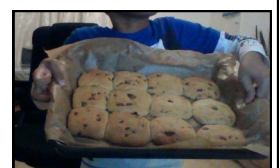

Safiyah—Year 6

## Fantastic half term fun!

Aaliyah—Year 3

Faaiza—Year 2

Nizamuddin—Year 3

## SENSO Safeguarding

Please do remind your child that anything that they type onto their school Chrome book that is inappropriate can be picked up by our safeguarding monitor.

Pupils won't be able to access any unsuitable material but a screenshot will be taken as well as the device number. A telephone call home will then be made to alert you to the concern. Please do share with your children the online safety tips here so our children are as safe as possible when they are online. If you have any worries about your children and being online, please do let us know and we can help as much as we can.

## Daily Health and Fitness Challenges

Well done to those of you who were able to complete Mr Malachi's PE challenges last half term. We have really enjoyed watching the videos of pupils taking part and the sense of fun the children have had as they have done them!

This weeks challenges are:

**Monday:** From one side to the other: crawl, jump, hop and skip

**Tuesday:** Balance a soft object on different body parts for 5, 10, 15 or 20 seconds

**Wednesday:** Make your own fitness course (indoor or outdoor) with at least 3 different activities

**Thursday:** Name, draw and find out about a famous sportsperson

**Friday:** Go for a 20 minute walk with an adult

**We are so pleased with the huge number of pupils taking part in these challenges!**
