Well done to everyone at home for their continued hard work and great effort with Home Learning!

Spring Term 2021

Monday 1 March 2021

Message from Ms Colburn

Welcome to the second and final week of school closure for what we hope will be the final time! We are very much looking forward to welcoming all of our children back to school as I am sure you all are too. All pupils will be returning on **Monday 8 March 2021** and I have highlighted below the times of the school day. There will be very little change to what was already in place in the Autumn term, however we will remind our pupils of the routines on their return. Please be aware

that it is a statutory / legal requirement that your child attends school from Monday 8th March so we do expect to see all pupils. We know that a lot of our children (and families) have found this lockdown particularly hard and we will ensure that over the coming weeks, pupils have the opportunity to speak to staff to share any feelings they may have or worries. Over the next week, please do start to get your child into good habits to get ready for the return ie going to bed earlier, waking up earlier etc and

check that you have all of the required uniform (and black leather school shoes!). If you have any questions, please do not hesitate to get in contact. As always, thank you very much for your continued support with home learning and the lovely comments received—it is very much appreciated. I hope you have a wonderful week and we will see you next Monday!

SEE YOU SOON ...

Times of the school day

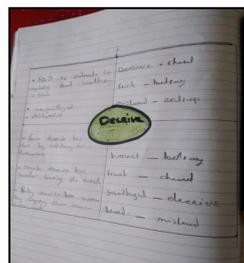

Please be reminded of the times of the school day from **Monday 8th March.**

Nursery: 8:30–11:30am—Part time
8:30–3:30pm—Full time
Reception: 8:30–3:30pm
KS1: 8:30–3:30pm
KS2: 8:45–3:45pm

We are continuing to stagger the start and end of the day to avoid too many children and parents congregating together at these times. Please ensure all adults wear a mask when collecting your child at the end of the day and ensure social distancing measures are adhered to when waiting.

World Book day 2021

Our first event of the term following our pupils returning is World Book day 2021. We have made the decision to hold the event on two different days so that pupils can enjoy the day at home and then the second day they are able to come into school dressed up as a character from a book. The first date is **Thursday 4 March 2021** and lots of activities will be uploaded to Seesaw for the children to do at home that day. Pupils in Community classroom will also take part in the same activities, Normal lesson videos will not be uploaded and we ask pupils to complete these at home instead. The second date is **Friday 12 March** and pupils will be able to come to school dressed as a character from a story book. We look forward to seeing how imaginative and creative the children are with their costumes!

Red Nose Day 2021

This year, Red Nose Day will be held on **Friday 19 March 2021** with the theme being **Superheroes**. Pupils across the academy will be able to dress up as the favourite superhero—perhaps a superhero from the NHS or someone else who has worked hard throughout lockdown! Pupils should bring in a £1 donation and all proceeds will be sent to Comic Relief. Throughout the day, pupils will be able to take part in many different events such as a quiz, competitions and much more. A letter has already been emailed out to all parents so please do check for more information. We look forward to seeing the pupils' costumes as well as staff Red Nose Day outfits!

Daily Health and Fitness Challenges

Well done to those of you who were able to complete Mr Malachi's PE challenges last half term. This week's PE superstars are:

Bhaskara:

Manel—For a great explanation and use of different body parts whilst balancing

Samia—For a fantastic drawing and informative piece about Serena Williams

Euclid:

Carmen—For an excellent video presentation and fitness workout

This weeks challenges are:

Monday: Balance on one leg for as long as you can—use a timer. Swap legs!

Tuesday: Complete 10 high legs, 10 heel flicks and 10 pencil jumps

Wednesday: Create and complete an obstacle course at home—send us the video

Thursday: List your 3 favourite PE activities and explain why

Friday: Use the internet to find 3 different yoga moves and practise them

We are so pleased with the huge number of pupils taking part in these challenges!
