Please see below for example of a script that you should use to help you with Task 3 and Stretch task

Example Script

STACEY and BARTHOLOMEW are a young couple that have been together for 5 years.

Bartholomew is sat down watching television. Stacey has just got home from her job interview and wants to tell Bartholomew about her day.

STACEY: You alright babe?

BARTHOLOMEW: *(still watching television)* Yeah, how was your day?

STACEY: Oh, you know. Same old.

BARTHOLOMEW: *(disinterested)* How did the interview go?

STACEY: Not too bad actually. The boss interviewed me.

BARTHOLOMEW: *(plainly)* Oh yeah? What was he like?

STACEY: He was fine, don't think I got the job though. *(Pause. Stares at him)* I also met his wife.

Bartholomew sits up and looks away, avoiding eye contact.

BARTHOLOMEW: Oh yeah?

STACEY: *(continues to stare)* Yeah. She said she recognised me.

BARTHOLOMEW: *(scratches head)* Ah, maybe you went to school with her or something.

STACEY: *(sternly)* No, that's not what it is.

(Bartholomew gets up from the sofa and walks towards the window, has his back to Stacey to avoid eye contact)

BARTHOLOMEW: Who knows then? Maybe she got you mixed up with someone else.

STACEY: *(walks closer towards him)* Nope. She's sure it's me. She said she knows you too.

BARTHOLOMEW: Huh? That's weird.

STACEY: Don't think it is. Her name is Janine and you met her roughly 12 months ago, right?

Bartholomew doesn't respond. Puts his head down.

STACEY: Yeah, she has a three month old baby now.

Bartholomew turns around to look at Stacey, tries to open his mouth but words do not come out.

STACEY: I think you have some explaining to do.
